THE AUSTRALIAN NATIONAL UNIVERSITY

DEAN’S SCIENCE EDUCATION COMMENDATION

AWARD CONDITIONS

1. Each semester after the finalisation of grades a list of students whose outstanding academic achievement in that semester warrants recognition shall be approved by the Deputy Dean (Science) Education.

2. Students whose names appear on the list shall receive an award known as the Dean’s Science Education Commendation.

3. Awardees will receive a letter of commendation from the Deputy Dean (Science) Education and recognition on their academic transcript. There is no monetary award.

4. Students who are enrolled on a full-time basis in an undergraduate degree program within the ANU Joint Colleges of Science are eligible to be considered.

5. A student will receive a Dean’s Science Education Commendation if:
   a. he or she has achieved a High Distinction at the level of 90 per cent or higher in all science courses undertaken in the relevant semester; and
   b. 50% or more of the enrolment is in courses offered by the Joint Colleges of Science; and
   c. The courses are not contributing towards an Honours specialisation

6. A student is eligible to be considered for the Dean’s Science Education Commendation in every semester of his or her enrolment in an undergraduate degree program within the ANU Joint Colleges of Science.

7. There is no limit to the number of students who may be awarded the Dean’s Science Education Commendation in any semester.

8. If, in any year, no student is deemed to have met the requirements specified above then no Dean’s Science Education Commendations will be made for that semester.
