

## HAND WASHING WITH GLITTERBUG POTION

### Materials required:

- > GlitterBug Potion
- > UV torch
- > A sink to wash hands at

### Instructions:

1. Apply GlitterBug Potion to hands, rubbing in all over (including wrists). It will dry invisible.
2. Look at your hands under the UV light. You will see your hands are covered in a glowing substance.
3. Wash hands with soap and water.
4. Look at hands under a UV light, the potion will still be present on any areas that were missed by the washing.
5. This shows how you can miss washing germs if you don't wash your hands thoroughly.

Commonly, the palms will be well cleaned, but the finger webbing, nail beds, wrists and edge of the hand will still show leftover Potion.
